

ADmits SHE IS AN IMPOSTOR

Mrs. Hubbard's Testimony Regarding Murdered Woman's Estate.

SHE IS NOT A HALF SISTER

FAILS TO SECURE APPOINTMENT AS ADMINISTRATRIX.

Strange and conflicting statements concerning her alleged relationship to the dead woman, and the denial yesterday of Mrs. Rosamond Hubbard's petition to be appointed administratrix of the estate of Mrs. Susanah Mitchell, who was murdered by her husband in Salt Lake City on July 3.

Mrs. Hubbard first appeared in the case at the inquest, when she came forward with the claim that she was a half-sister of Mrs. Mitchell.

She applied for letters of administration of the estate and endeavored to take charge of the property. Known relatives of Mrs. Mitchell declared they had never heard of Mrs. Hubbard before, and they retained McGurkin & Gustin to oppose Mrs. Hubbard's petition.

Mrs. Mitchell left a considerable estate, consisting of houses and buildings in Salt Lake and Juab counties, mining property, stocks and cash in bank.

Caught in Cross-Examination.

The contest was heard by Judge Armstrong yesterday afternoon. The legitimacy of Mrs. Hubbard's claim to relationship with Mrs. Mitchell was the chief question involved, because on it hinged her right to apply for letters of administration. Mrs. Hubbard had several witnesses present to testify in her behalf and on direct examination she gave a straightforward testimony. She appeared to become bewildered on cross-examination, however.

According to Mrs. Hubbard's story, she left England in 1835 for America and at length located in Eureka with her husband, Isaac Hubbard. Mrs. Hubbard claimed that she and Mrs. Mitchell were daughters of the same man. During the cross-examination, she said her maiden name was Atkins and, at another time, she testified that Mrs. Mitchell's maiden name was Chamberlain. When asked to explain the difference in names, Mrs. Hubbard was much confused.

Confesses to Impostion.

At length she confessed that she did not bear the relationship she had claimed. Her confession was the question the legitimacy of Mrs. Mitchell's birth, the alleged circumstances of which were given by Mrs. Hubbard to reconcile the discrepancy in the two women's maiden names.

Judge Armstrong denied Mrs. Hubbard's petition and appointed Frank McGurkin & Gustin, attorneys for Mrs. Mitchell's estate, to take possession of her property and to administer it for her.

Music and Drama

The Bittner company opened its final week at the Grand last night in the three-act domestic drama, "The Peace Maker," to a house which was not in keeping with the high reputation of the company. The theatre-going public of this city seems to have lost interest in the company, or the Bittner company, or both. Because the prices have been reduced, does not mean that the company is necessarily weak and poorly cast. The Bittner company is composed of careful and conscientious workers who have labored faithfully to please the Salt Lake public. Their companies have played here to high prices and have been well received. The company will present a dramatization of Robert Louis Stevenson's famous novel, "Dr. Jekyll and Mr. Hyde," with Theodore Lerch in the dual role. There will also be the usual Saturday matinee.

BELL MEN ARE PROMOTED

H. Sommers, Manager General Superintendent and P. H. Hopkins, Collection Agent.

H. Sommers, who for the past eighteen months has been in charge of construction for the Rocky Mountain Bell Telephone company, today becomes general superintendent of the company, according to an official announcement issued by the general office yesterday. Mr. Sommers came to Salt Lake Jan. 1, 1904, to assume the position of superintendent of construction. Prior to that time he had been in the service of the company for fifteen years as superintendent of the Montana division with headquarters in Helena. Before entering the employ of the telephone company he was vice chief for the Northern Western Telephone company. In his capacity as general superintendent, Mr. Sommers will be in authority in all matters relating to construction, operating, maintenance, right-of-way, maintenance of buildings, etc., for the telephone company. He is spoken of as one of the most capable and trustworthy men in the company's service. Another promotion announced by the Rocky Mountain Bell Telephone company yesterday was the appointment of P. H. Hopkins as collection agent for the entire system.

SALT COMPANY GETS PROPERTY

Completes Purchase of 300 Acres of Land For \$100,000.

PREPARES FOR BUSINESS

RUNS IN DEFIANCE OF THE CHURCH AND THE TRUST.

A transaction of considerable local importance was recorded in the official records of the county yesterday. This was the deed of John Beck to the Beck Salt company of 300 acres of land on the borders of Great Salt Lake between Black Rock and Salt Lake City for \$100,000. The sale of the property was made in reality two years ago. At that time the deed was placed in escrow until its provisions were met by the purchaser. This was done recently, the transfer of the property was completed and the deed was placed on file.

The principal stockholders in the Beck Salt company are the Richard J. Taylor family of Ogden, Charles A. Smith of Ogden, Moses Thatcher of Logan and David Kees of Ogden. This is the company around which a controversy raged recently, it being asserted that President Joseph P. Smith attempted to stamp out the enterprise in the interest of the Inland Crystal Salt company—the salt trust. This figure prominently in the recent communication from the Mormon church of Charles A. Smith to the Salt company. The company is preparing for an extensive salt business during the present year. It is now pumping 1,000,000 gallons of water a day and expects to produce 25,000 tons of salt. The salt is the result of the year's work. Next winter a refinery will be erected. This company professes to do business outside of the salt trust. At the same time it intends to enter upon no campaign of rate cutting.

MAN IS SENTENCED FOR BUYING BEER FOR A FOURTEEN-YEAR-OLD GIRL

Joseph Warren, 21 years of age, a miner by occupation, received a sentence of 100 days in jail yesterday following his conviction for giving intoxicating liquor to a minor. Willie Little, who, despite the name, is a girl about 14 years old, was the minor in question.

According to the girl's story, her mother is dead and she has not been given the watchful care usually bestowed on children of her age. She met Warren, who had just arrived in town, at a saloon. He had with him a commercial street car and accompanied him to a winery in the rear of the saloon at State street and Victoria alley. There the pair indulged in beer to a greater or less extent, the quantity varying according to the different witnesses. Police Officer Taylor and a girl agree that she was intoxicated.

The defendant admitted that he went with the girl to the winery and that he paid for the beer consumed, but he endeavored to escape punishment on the ground that he did not pour any of the beer into the bottle. He poured the first glass, he said, and the girl poured the rest of the beer.

Judge DeHoff expressed himself strongly in passing sentence. The defendant's own testimony was sufficient to establish his guilt. He was sentenced to 100 days in jail, with the addition that he had seldom had occasion to try a case wherein a man had played so contemptible a part.

The girl is slight and pale, with black hair and eyes. She is not large for her years and does not look to be more than fifteen years old, at the most.

Her statement that she will not be fourteen years old until Sept. 6 is borne out by the records. Several Christian women of the city have taken up her case and will endeavor to make arrangements for her better training for the child in the future.

By her own statement, the girl has been rather wayward. She said she was a runaway from her home on Thursday morning and had gone to Commercial street to look for a girl friend who was supposed to be living there. She was arrested by Officer Taylor.

NEVADA SENDS GRAPES TO ZION

Second Shipment of Moapa Fruit Received by Local Dealers.

COMES OVER NEW ROUTE

LEMONADE WILL BE LUXURY FOR SOME TIME.

The second shipment of fruit arrived yesterday from Moapa, Nev., over the Salt Lake route. The car contained watermelons, cantaloupes and a few grapes. The grapes are the best that have been on the market this season and the commission houses expect to receive part of the supply from them during the next two months. Lemons are again scarce and the consignments that are coming in slowly will probably be raised \$1.00 a case. Oranges and bananas are coming in slowly, but the market is steady. The market was closed out yesterday on currants and only a few raspberries and blackberries are to be had. The fish and poultry market had a good supply from the state and the poultry market has been relieved by the arrival of a car of chickens from Kansas City. Utah poultry has been coming in better during the past week and the dealers believe they will be able to supply the market without making shipments from the east.
